If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

# Bakewell Infant School are looking for a Parent Governor Could that be you?

We are looking for a new parent governor to join our committed Local Trust Committee (formerly known as the Governing Body).

## **The main responsibilities of a Governor**

- Setting the strategic direction of the school;
- Holding the leadership to account for the performance of the school;
- Making sure that resources are used well, and that money is well spent;
- Supporting and promoting the Christian ethos of the school.

**Requirements?** No specific qualifications required - just the right attitude, enthusiasm, and time to devote to the role.

**Specific requirements for this school?** We ideally need more governors with skills in Health and Safety and Sustainability, or a strong commitment to promoting the Christian faith and values in schools.

**When do we meet?** Usually Wednesdays, 9.30am, either face-to-face or on-line.

**What is the time commitment?** Approx. 6 days per year spent at meetings, in school or undertaking relevant training.

**Why volunteer?** It's a great opportunity to gain leadership experience and transferable skills, whilst having the satisfaction of making a real difference to your children's school and education.

## **How to apply**

Please contact the school in the first instance for an application form and more details. We will be delighted to support you through the process.
